

Final Evaluation Notice – 14th Jan 2026

Please read this document carefully in all its parts.

The table below reports the overall evaluation for the exam held on 14 January 2026.

To the score obtained in the written exam (Column A), the following points have been added:

- **+2 points** for students who attended the Viterbo conference on 16 October (if attendance was recorded in class) (Column B);
- **+1 point** awarded to all students (Column C).

The final grade is reported in the column “**Final exam score (A + B + C)**”¹

To accept or reject your final grade, please complete the following form by Monday, 19 January 2026. After this date, I will proceed to upload the grades on the Infostud portal, hoping that all of you are properly registered.

Important information about final grades

- These are final grades and no further adjustments will be made.
- Please do not send emails requesting grade negotiations.
- If you are not satisfied with your result, you may retake the exam in the February or summer sessions.
- Students who rejected the December grade and took the exam again in January cannot revert to the December grade.
