### **Important information about final grades**

- These are final grades and no further adjustments will be made.
- Please do not send emails requesting grade negotiations.
- If you are not satisfied with your result, you may retake the exam in the February or summer sessions.

**I will register the grade on Infostud as soon as the IT issue is resolved and the website becomes available.**

In a separate Excel file, I will also provide an anonymous answer grid showing your responses and the correction with the points assigned to each question.
