

EXPERIMENTAL FLUID MECHANICS

2024-2025

Rules for students accessing the Laboratories of Aerodynamics and Fluid-Mechanics (Department of Mechanical and Aerospace Engineering, DIMA) for laboratory practices

- Go to the meeting point indicated in the enclosed map
- If sick wear an FFP2 mask in laboratories
- Follow teacher and assistants to reach your specific place and take care to their instructions to set-up and use the experimental facilities and measurement systems
- Do not move to other locations in the laboratories during the practice

THESE RULES ARE MANDATORY TO BE ADMITTED AT DIMA LABORATORIES
