

**BUILDING EUROPEAN NUCLEAR COMPETENCE  
THROUGH CONTINUOUS ADVANCED AND STRUCTURED  
EDUCATION AND TRAINING ACTIONS**

# Scientific dating

- an encounter across disciplines -

Are you a MSc or PhD student in natural or social sciences?

Do you have an interest in nuclear science and technology?

Do you enjoy breaking barriers by collaborating across disciplines?

**October 5 – 6, 2023**

**Comics Art Museum  
Zandstraat 20, Brussels, Belgium**

**Meet, mingle and match with fellow students in this two-day workshop  
dedicated to transdisciplinarity in nuclear science and technology**

**Included in the two-day workshop:**

One night accommodation with breakfast, lunches, and dinner on Thursday

**Registration:**

Send your motivation letter including a short CV to [academy@sckcen.be](mailto:academy@sckcen.be)

Deadline for application: May 31, 2023

Notification of acceptance: June 30, 2023
