

The background of the cover is a collage of various images. At the top, there's a large, abstract, textured shape. Below it, a grid of overlapping images shows people in social settings. A woman in a dark turtleneck looks upwards. A man in a white shirt is seen from the side. In the foreground, a woman's profile is visible on the left, and a man's profile is in the center. The overall color palette is warm, with shades of yellow, orange, and brown.

Representations of the Social
